THE SEMINOLE, WINTER PARK, ORANGE COUNTY, FLORIDA.

THIS NEW AND ELEGANT HOTEL, accommodating 400 guests, opens Jan. 1st. It is superbly located upon high land, between two beautiful lakes, the ground gently sloping to the shores of both; and from the promenade on top, 11 lakes can be seen.

Every thing that human ingenuity can devise has been provided to make this beautiful house attractive and home-like for old and young. Sleepers from New York without change. All trains stop at Winter Park.

WINTER PARK, 120 miles south of Jacksonville, occupies a superb and commanding position upon the high plateau or watershed that constitutes the backbone of Florida. "It is one of the loveliest spots on earth," says a prominent journalist. "The prettiest spot I have seen in Florida," says President Arthur. "As healthy a spot as can be found on the face of the globe," says Dr. Henry Foster of Clifton Springs, N.Y. Look at the beautiful "Bird's-eye View," on the other side of this sheet, and be sure and see Winter Park before you leave Florida.

For illustrated pamphlets, maps, plan of rooms, terms, etc., address Forbes & Paige, Winter Park, Fla.

All the late styles of CARRIAGES, HARNESS, ROBES, BLANKETS, &c., can be found in the Warerooms of

THE GREGG & BOWE, CARRIAGE CO., Arch and 12th Sts., Philadelphia, Pa.

N. B.—We will have a nice assortment of fine Sleighs, Bells, and Plumes, about November 1st.
